

Grease

Audition Instructions

Auditions for *Grease* will be held on the 20th, 21st and 22nd of December, in Auditorium A. The audition process will begin at 2:30 with the first person scheduled for that day. You **must be on time** for your audition – please consider that approximately 10% of the people who sign up for an audition slot do not show up. You may need to present earlier than you anticipated.

For your audition, you will present one of the following songs that Mrs. H. has taught you. There is a lyric sheet included in this packet. This presentation is your only audition opportunity unless you make callbacks – please incorporate singing, movement, and acting into your audition. Only persons using **all three** of the components will be considered for leading roles.

MALE NUMBERS:

- “Greased Lightning”
- “Beauty School Dropout”
- “We Go Together”

FEMALE NUMBERS:

- “Look at Me, I’m Sandra Dee”
- “It’s Raining on Prom Night”
- “We Go Together”

There are several steps that you can take to enhance your audition:

- **Be prepared:** Memorize the song for your audition, and make sure that you put an effort into creating your presentation.
- **Dress appropriately:** Wear clothes that will allow you to move comfortably and portray yourself effectively.
- **Do not chew gum:** It interferes with your ability to enunciate.
- **Be “on” even when you’re “off”:** Your attitude and behavior are being observed even when you are not onstage.
